

# Applied Circuits Terms of Use

## 1. Site Terms of Use

The following are the terms of a legal agreement between you and Applied Circuits governing the use of this web site. BY USING THIS WEB SITE ("SITE") YOU ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTOOD THESE TERMS OF USE ("TERMS"), AGREE TO ACCEPT AND BE BOUND BY THESE TERMS, AND TO COMPLY WITH ALL APPLICABLE LAWS AND REGULATIONS REGARDING USE OF THIS SITE. IF YOU DO NOT ACCEPT THESE TERMS, DO NOT USE THIS SITE.

## 2. Use Restrictions

The information, materials, services, and related graphics available on this Site (collectively the "Content") are owned or licensed by Applied Circuits. The Content of this Site is protected by copyright laws, international copyright treaties, or other intellectual property laws and treaties. Except as specifically provided herein, or otherwise specifically provided by Applied Circuits in writing or by the terms of any license agreement that accompanies or is provided with any Content ("License Agreement"), YOU MAY NOT MODIFY THE CONTENT OF THIS SITE IN ANY WAY OR DOWNLOAD, COPY, REPRODUCE OR PUBLICLY DISPLAY, PERFORM, OR DISTRIBUTE OR OTHERWISE USE THE CONTENT IN ANY FORM OR BY ANY MEANS FOR ANY PUBLIC OR COMMERCIAL PURPOSE. Applied Circuits Unauthorized use of any Content on this Site is expressly prohibited.

Applied Circuits authorizes you to view, download, reproduce, display and distribute the Content posted on this Site only for your personal and non-commercial use, unless specifically authorized to do otherwise by Applied Circuits in writing or as provided by the terms of any License Agreement. Any authorized download, reproduction or display of the Content must retain all copyright and proprietary notices as they appear in the Content. If you breach any of these Terms, your authorization to use this Site automatically terminates and you must immediately destroy any downloaded or printed materials.

## 3. User Accounts

You agree to provide accurate and complete information as requested by the applicable registration form. In addition, you agree that you will not impersonate any person or entity, and will not falsely state or otherwise misrepresent your affiliation with any person or entity. Applied Circuits may, in its sole discretion, terminate the accounts or access rights of users who may have provided inaccurate or incomplete information during registration or thereafter.

## 4. Communications

Any personally identifiable information (name, address, e-mail address, phone number, etc.) that you provide in any communications with this Site will be handled and processed in accordance with Applied Circuits' Privacy Policy. Any other material, information or other communication you upload, post, email, transmit or otherwise make available to this Site ("Communications") will be considered non-confidential and non-proprietary. Applied Circuits will have no obligations with respect to the Communications. Applied Circuits will be free to copy, disclose, distribute, incorporate and otherwise use the Communications and all data, images, sounds, text, and other things embodied therein for any and all commercial or non-commercial purposes.

## 5. Content Restrictions

All Communications posted to this website must be relevant to the Site Content and must in good taste as determined by common sense and the most restrictive community standards. Such Communications must be free of materials that are unlawful, harmful, threatening, abusive, harassing, tortious, defamatory, vulgar, obscene, libelous, inflammatory, personal or corporate insults, invasive of another's privacy, hateful, or racially, ethnically or otherwise objectionable. In addition you agree that you will not post any Communication that: 1) you have no legal right to post; 2) infringes any patent, trademark, trade secret, copyright or other proprietary rights of any person or entity; 3) is unsolicited or unauthorized advertising, promotional material, or any other form of solicitation; 4) contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment; 5) contains forged headers or otherwise manipulated identifiers in order to disguise the origin of the Communication; or 8) is designed to collect or store personal data about other Site users.

Applied Circuits will have the right to remove any Communications that do not comply with the Terms or are otherwise deemed unsuitable or objectionable. To report a Communication you believe is not appropriate, contact [support@appliedcircuits.com](mailto:support@appliedcircuits.com).

## 6. Disclaimer

**THE CONTENT, SOFTWARE AND SERVICES MADE AVAILABLE ON THIS SITE ARE PROVIDED "AS IS" WITHOUT ANY WARRANTIES OF ANY KIND, INCLUDING ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY, EXCEPT THAT SOFTWARE IS WARRANTED, IF AT ALL, IN ACCORDANCE WITH THE TERMS OF THE APPLICABLE LICENSE AGREEMENT.**

## 11. Trademark Notice

Applied Circuits® and MiniLab® and all identified Applied Circuits trademarks and logos are the property of Applied Circuits, LLC. or its wholly-owned subsidiaries. Nothing contained on this Site should be construed as granting by implication, estoppel, or otherwise, any license or right to use any Applied Circuits trademark displayed on the site without the written permission of Applied Circuits.

## 12. Links

Third party web sites linked from this Site are not under the control of Applied Circuits, and the links are provided only as a convenience. Applied Circuits is not responsible for the availability of external sites and does not represent or endorse the accuracy or reliability of any of the contents of any linked site. Applied Circuits shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with the use of or reliance on

any such content, goods or services available on or through any such site. If you decide to access any third party site linked from this Site, you do so entirely at your own risk.

### **13. Version of Terms**

Applied Circuits may make changes to these Terms of Use at any time without notice. We suggest that you visit this page of the Site periodically to review the current Terms of Use. Certain provisions of these Terms may be superseded by expressly designated legal notices.

### **14. Exportation**

Applied Circuits makes no representation this Site is appropriate or available for use outside the United States, and access to it from territories where its contents are illegal is prohibited. You may not use or export or re-export the Content on this Site in violation of any applicable laws or regulations including without limitation U.S. export laws and regulations. If you choose to access this Site from outside the United States, you do so on your own initiative and are responsible for compliance with applicable local laws.

### **15. Choice of Law**

This Site is administered by Applied Circuits from North Richland Hills, Texas, U.S.A. These Terms and any claim relating to this Site will be governed by and construed in accordance with the laws of the State of Texas, notwithstanding its rules concerning choice of law.

### **16. Arbitration**

By using this Site, you agree that Applied Circuits, at its sole discretion, may require you to submit any disputes arising from the use of this Site, or these Terms, including disputes arising from or concerning their interpretation, violation, nullity, invalidity, non-performance or termination, as well as disputes about filling gaps in this contract or its adaptation to newly arisen circumstances, to final and binding arbitration under the Commercial Rules of Arbitration of the American Arbitration Association, by one or more arbitrators appointed in accordance with the said Rules. Notwithstanding these rules, however, such proceeding shall be governed by the laws of the State of Texas and any arbitration will be held in Fort Worth, Texas.

Any award in an arbitration initiated under this clause shall be limited to monetary damages and shall include no injunction or direction to any party other than the direction to pay a monetary amount. Further, the arbitrator(s) shall have no authority to award punitive, consequential or other damages not measured by the prevailing party's actual damages in any arbitration initiated under this section, except as may be required by applicable statute.
